PETITION TO GRANT FILING DATE

Office of Petitions
Hon. Commissioner for Patents
Washington, DC 20231

Sir:

Applicants hereby petition the Commissioner to grant them the filing date of June 9, 2001, which is the date that a complete application, together with fees and signed declaration, was received at the United States Patent and Trademark Office.

One of the two applicants, namely, George Mockry, was responsible for actually filing this application by assembling its specification, claims, formal papers, and filing fee, and it was he who deposited the same as Express Mail addressed to the Commissioner for Patents. Mr. Mockry later received a return receipt post card that receipts for all the items, including the specification, which was in the form of a copy of the entire provisional application as had been filed earlier under Ser. No. 60/211,208, filed June 13, 2000.

A supporting declaration duly signed by Mr. George Mockry accompanies, which includes a true copy of said return receipt post card.

Applicants also enclose herewith a copy of the specification, namely, the text of the said Provisional Application Ser. No. 60/211,208, which has apparently been mislaid at the Patent and Trademark Office. The four pages mentioned on the return receipt post card consist of a Provisional Cover Sheet, two pages of description, and a small entity verified statement.

Applicants are enclosing a payment of \$130, but specifically request that this amount be

Ser. No. 09/878,860

refunded, by way of credit to the Deposit Account of the undersigned attorney, to wit, Deposit Account 50-1771.

If any additional materials are needed, the undersigned requests that the Office contact him at (315) 422-4323.

Any additional fees associated with this Petition may be charged, or any overpayment credited to our deposit account 50-1771.

Respectfully submitted,
